WARREN BUFFETT

LONDON'S SQUARE MILE is the most affluent financial centre in the world. More than \$3 trillion is traded here every day on the foreign exchange market alone – twice that of Wall Street and six times that of Tokyo.

The term 'Square Mile' encapsulates London's financial hub: the place, the people – and the money. Once restricted to the traditional City of London, this amorphous region has expanded east to include Canary Wharf and west to Mayfair. This is our stomping ground.

Over the last 18 years, **square mile** has become the number-one lifestyle brand for this affluent area. With its monthly magazine, website, newsletter and reader events, **square mile** has the attention, the respect and most importantly, the trust of the City.

DISTRIBUTION

SINCE 2005, **square mile** has been building its core database of both individual and corporate subscriptions primarily within the City of London. As **square mile** is a controlled-circulation magazine, we have also been able to quickly adapt our distribution model to be in tune with the new working landscape. Many of **square mile**'s office subscriptions have been diverted to private homes - and promotional Tube handouts have been replaced with in-home distribution within affluent postcodes in Zone 1.

Principal readership

- Direct to homes
- Corporate subscriptions
- Hotels, bars and members' clubs
- Luxury retail

Website

squaremile.com is an online hub for the City. The website performs a curating function: serving up the best in luxury, investment and interviews to the City's affluent executives.

The site is home to all of our exclusive front cover articles and often houses extra material and behind-the-scenes footage. It's also where we host competitions with our commercial partners gaining thousands of entrants - and reader data - every month.

Our readers can register here for exclusive events (held in partnership with our most loyal clients) - and, of course, subscribe to both our print magazine and e-newsletters.

Advertorials

Let us help tell your story to our readers. Advertorials - labelled as 'Promotion' in print - are a way to reach our audience via a softer sell. If your client, product or service can't be communicated through a branding advert, advertorials are a great solution with which you can educate our discerning readership.
